Arrival / While You're Here

Traveling Directions

If you will be traveling by car, please be cautious about following directions provided by GPS, as they often do not take you the most direct route. Please download directions at <http://www.doerivergorge.com/directions.php> and be sure that your GPS is taking you on this route.

Check-In

Check-in is from 3:00-4:30 on Sunday. We cannot process early arrivals before 3:00pm. Because all campers are required to check in with the Registrar and Medical Staff under the Lower Big Top (green and white striped tent), it is important that you make every effort to arrive during the scheduled registration hours. You will receive a Check-In Packet upon arrival and it is important to keep this packet with you during the entire Check-In process.

Prescription Medications, Inhalers, and EpiPens®

All medication must be turned in to the Medical Staff upon arrival. Please do not pack any medications in your student's luggage as you will need to have this with you upon arrival to check in with our Medical Staff. If your student requires prescription medications while at camp, please bring an adequate supply of the medication in the original, clearly-labeled prescription container, prescribed to your student, and check it in with the Medical Staff. State Law prohibits us from accepting medications in any other pill case or container or medications prescribed to another person. Medications are secured in our Health Center and distributed according to instructions by licensed Medical Staff.

If your camper uses an inhaler or EpiPen®, please send two: one for the counselor to carry during the day and one to be kept in the Health Center for back-up. Please be sure both EpiPens® are labeled with your student's name.

It is very helpful for you to explain to your student what medications they will need to take during their stay at camp so they will know what is necessary and that you expect them to take these medications as prescribed.

RSVP to Closing Ceremony

There will be a closing ceremony with a sit-down lunch on the Friday you pick up your student (see "Departure"). In order to ensure there is enough food, please be sure to RSVP with the number of attendees for your student. We provide lunch for each student plus two guests. Additional lunches can be purchased upon check-in.

Parent Orientation

We encourage parents to attend a brief orientation on the **17THREE** program directly following registration and move in. This meeting will begin at 4:30PM.

Health & Safety

Safety is top priority at Doe River Gorge! While there is risk inherent in any sport or adventure activity, Doe River Gorge seeks to minimize that risk through well-designed courses, top-of-the-line equipment, and well-trained staff. All adventure courses are professionally designed and independently inspected. Along with maintaining a Health Center that is staffed by at least one Registered Nurse and other trained medical professionals, all summer staff members are trained in First Aid and CPR. In preparation in case of an emergency, Doe River Gorge maintains a close relationship with the local EMS and Wings Air Rescue.

Insurance

Doe River Gorge provides limited secondary insurance coverage for accidents and illnesses (excluding pre-existing conditions) which occur while engaged in one of our programs. In the event of an accident or illness involving your student that requires or may require medical care off-site, our staff will take immediate action to obtain proper medical treatment and will also contact you promptly.

Withdrawal

If your student must withdraw from a program before the session ends, a refund will only be given in cases of physical illness, injury, or family emergency (not including homesickness). The amount of the refund will be pro-rated based on the cost of that program and the number of days missed. Doe River Gorge reserves the right to dismiss anyone without refund whose conduct is not in the best interest of other participants.

Your student's personal vehicle is not permitted on the premises during their stay. Parents, please make arrangements to bring and pick up your students.
