

Doe River Gorge Ministries Automatic Gift Plan

Monthly Gift Authorization

For your convenience, Doe River Gorge has established two methods by which you can make your gifts without writing a check or finding a stamp. Your gift can be automatically charged to your credit card or automatically deducted from your bank account at a time and in the amount designated by you. Both methods are completely safe. No matter which method you use, you control the frequency and the amount of each gift and your investment goes to work in reaching kids for Christ. And, of course, should you ever need to change your commitment, either up or down, do not hesitate to contact us.
