Re: The Ministry of Josh Hubbard

Dear Friend:

I am pleased to announce that Josh Hubbard has applied for and been accepted as a candidate for a full-time staff position with Doe River Gorge Ministries. Josh has served here for the past two summers in our *Adventure Quest* and *Guest Services* programs. During this time we had the opportunity to see his heart for God and his passion for serving Christ. We are excited about Josh's decision and how his life will be used to impact students for Christ.

In case you are not familiar with Doe River Gorge, we are a ministry that is dedicated to cultivating in students a passion to intimately know God which results in a heart of worship, a desire for purity and a Christ-centered vision for their lives. This cultivation of young hearts takes place through summer camps, training programs, one-on-one discipleship and outreach ministries.

Because we are a faith-based ministry, all of our ministry staff members must raise their salary through the financial support of friends like you. (I have enclosed an additional sheet that explains why we ask our staff to raise their personal support). Josh will soon begin the deputation process to raise that support. You may be hearing from him in the next few weeks.

We are thrilled that God is raising up people like Josh to catch the vision and invest their lives to impact this upcoming generation of young people for Christ. If you have any questions about Doe River Gorge or about Josh's process of coming on staff here, please feel free to contact me or Randy Nelson, Director of Ministry Advancement.

For His Glory,
