

Joshua and Janna Hubbard

April 5, 2010

Dear friends and family,

Janna and I are so excited about what God is doing in our lives. With the upcoming birth of our daughter, Paisley, I feel so unworthy of such a wonderful blessing. God is so good! Many of you received the announcement from Terry Maughon, president of Doe River Gorge, that I am now an official candidate to join their full-time staff. I really believe this is an answer to earnest prayer!

As many of you know, in the summer of 2007, God led Janna and me to the youth ministry of Doe River Gorge – and we haven't been able to leave it since! I have worked program logistics during the summer and part-time helping with guest groups and maintenance. A year ago, Janna was able to join the full-time staff as their Program Registrar. We have thoroughly loved being involved in young people's lives and making a difference for eternity.

The need for a revival in this nation has never been more evident than in recent years. As a nation, it is obvious that we are declining spiritually as we drift further and further from God's principles. Prayer, the Ten Commandments as well as any spiritual guidance have been completely removed from our schools. As a result, many of our youth are searching for something new and exciting to fill their spiritual longings.

At Doe River Gorge, our desire is to use adrenaline-infused high-adventure activities to attract their attention. But we don't want it to just stop there – our desire is that they discover the fulfillment that is in our Savior Jesus Christ and in the joy of living a godly life. We want them to taste and see His goodness (Psalm 34:8). We believe that Doe River Gorge meets young people where they are and presents to them an exciting and challenging life of walking by faith in the Lord.

In order to fulfill God's calling in our lives to serve at Doe River Gorge, we must build a team of people who will support us in prayer and finances. We first and foremost need your prayer support! We know that with God, all things are possible. Secondly, we ask that you prayerfully consider partnering with us by financially supporting our ministry at Doe River Gorge. Doe River Gorge has set our goal to raise \$3,000 per month in personal support. This amount will cover monthly bills such as phone bills, college loans, rent, car insurance, medical insurance, etc.

Please pray about becoming a monthly partner with us. I have enclosed a gift chart to give you an idea of the type of support that we need. Gifts can be made online at www.doerivergorge.com/hubbard. Please give us a call if you have any questions.

Thanks for prayerfully considering our request. I will be following up with you soon to share more with you about what God is doing in our life.

In His care,

Joshua and Janna Hubbard
